

40 days in 1 and 2 Corinthians.

A Bible reading plan.

The books of 1 and 2 Corinthians were written by the apostle Paul to the Christian community in Corinth, a church he helped establish a few years prior. These letters address issues the fledgling church was facing and provide guidance on living out their faith in practical and God-honoring ways.

Paul reminds the Corinthians that beliefs should inform behavior - what we understand about Jesus and His teachings should shape how we conduct ourselves. When Christ's followers live out His principles of love, unity, and service, the church blossoms into the purposeful, transformative body God intended.
